About Mersen

Mersen is a global expert in electrical specialties and graphite-based materials.

PRODUCTS

- Accessories family
- Cooling of Power Electronics
- Electronic Systems for Energy Management
- Fuses, Fusegear, and Fuse Systems
- High-Power Switches and Contactors
- Low-Voltage Switches
- Power Transfer for Rail Vehicles
- Surge Protection
- Wiring Management

MARKETS

- Energy Distribution
- Solar Power
- Wind Power
- Transportation - Railway
- Power Electronics
- Process Industries

SOLUTIONS

- Cooling of Power Electronics
- Electrical Contractors
- Electrical Distributors
- Electrical Services
- Facility Managers & MRO's
- Fuse Control
- Fuse Systems
- HelioProtection
- Laminated Bus Bar Solutions
- OEMs
- Power Electronics Solutions
- Power Transfer for Rail Vehicles
- Specifying Engineers
- Surge Protection
