

IMBDS1OW -- AV Module, 15-pin/9-pin HDMI Blank, 1 Unit, Office White

iSTATION™ unloaded modules are designed for front-load installation using Hubbell's modular plate frames. The frames accept any modules in 3 unit combinations for single-gang; and 6 unit combinations for double-gang applications. Start by selecting a frame and then the required mix of AV modules. Use for video distribution, desktop and laptop computers, monitors, cameras and projectors, home theater and entertainment.
