Overview Documents

The lightweight, disposable R95 particulate respirator is designed to help provide quality, reliable worker respiratory protection. 3M uses a variety of innovative technologies and features to help you meet your respiratory protection and comfort needs. The respirator incorporates 3M's proprietary technology with advanced electrostatically charged microfiber filter media, designed for ease of breathing.

It's adjustable noseclip and cushioning nose foam help provide a custom fit with secure seal and reduce potential for eyewear fogging. These features, along with the lightweight construction promote greater worker acceptance and may help increase wear time.

- NIOSH R95 approved
- Economical filtering facepiece particulate respirator
- Collapse resistant shell for increased durability
- Compatible with a variety of protective eyewear and hearing protection
- Adjustable noseclip reduces potential for eyewear fogging and helps ensure a better seal and fit.
- Two-strap design helps provide a secure fit.
- Suggested applications: Grinding, Sanding, Sweeping, Bagging and other dust producing/oily operations.

WARNING: These respirators help reduce exposures to certain airborne contaminants. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. In the U.S., a written respiratory protection program must be implemented meeting all the requirements of OSHA 1910.134 including training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate. Misuse may result in sickness or death. For proper use, see package instructions, supervisor, or call 3M OH&ESD Technical Service in USA at 1-800-243-4630 and in Canada at 1-800-267-4414.

Specifications

Aerosol Type	Oil and Non-Oil
Color	White
Exhalation Valve	No
FDA Cleared	No
Features	Stapled Headband
Flame Resistance (ASTM D2859-96)	No
Fluid Resistant (ASTM F1862)	N/A
Natural Rubber Latex Components	No
Product Type	Dust and other Particles
Recommended Application	Foundry Operations, Grinding, Petrochemical Manufacturing, Processing of Minerals, Welding
Recommended Industry	Construction, General Manufacturing, Mining, Oil & Gas, Transportation
Respirator Style	Cup
Size	Standard
Standards/Approvals	R95
US Govt Contract Number	GS-07F-0374J
