 Text Search: 'PSL-SCBD-AG'

Your search criteria matched only one product, shown below

PSL-SCBD-AG

- TIA/EIA604 FOCIS-3 compliant device fits all SC adapters for a variety of applications and installations
- Tamper-resistant design blocks unauthorized access to SC switch and HBA/NIC ports, switch uplinks and user outlets, saving time and money associated with data security breaches, network downtime, repairs, and hardware replacement
- Compact, low profile design allows installation or removal without disturbing adjacent ports or installed patch cords in high -density applications
- Also functions as dust plug to mechanically protect the SC adapters/receptacle optics and renders it "eye-safe" to prevent exposure to laser radiation and contamination on dust sensitive transceivers
- Removal tool allows only authorized personnel to release the device, ensuring safety and security of your network infrastructure
- Available in multiple colors for visual identification or aesthetics
- TIA/EIA604 FOCIS-3 compliant device fits all SC adapters for a variety of applications and

installations
